

# Dr Priya Arachchi

MBBS, MD (Psych),  
FRANZCP, Advanced  
Training in Psychotherapy

**Dr Priya Arachchi** is a General Adult Psychiatrist and Psychotherapist.

Dr Arachchi obtained her basic medical qualifications and a post graduate degree in Psychiatry (MD) in Sri Lanka, before moving to New Zealand in 2008. Since then she has worked in multiple settings in both New Zealand and Australia as a General Adult Psychiatrist.

Dr Arachchi became a Fellow of RANZCP in 2015 and most recently acquired qualifications in advanced training in psychotherapy becoming a qualified Psychotherapist. She currently works as a staff specialist psychiatrist for Central Coast Health.

Dr Arachchi uses holistic, patient-centred approaches to treat adult mental health issues.

Areas of special interests include:

- Mood and anxiety disorders
- Psychosis
- Dealing with grief, loss and stress
- Low self-esteem and personality disorders
- Eating disorders
