

Dr Dominic Paul

MBBS, MRCPsych (UK),
FRANZCP

Dr Dominic Paul is a General Adult Psychiatrist.

Dominic has over 20 years of experience in Mental Health spanning over three countries, namely India, UK and Australia. Dominic completed his basic training in the United Kingdom through the London based Guys, Kings and St Thomas's Rotational scheme. After attaining his Membership, Dr Paul migrated to Australia and has over 10 years of experience working in Australia.

Dr Paul obtained his Fellowship of the Royal Australian and New Zealand College of Psychiatrists during his tenure as a CMO in Hornsby Hospital and is also working at Kellyville Private Hospital (previously Hills Clinic) and Mindsight Clinic Gordon.

Dr Paul incorporates pharmacotherapy and cognitive behavioural therapy in his strategies, and considers collateral information and family involvement if necessary, as vital to client management.

Areas of special interests include:
