

Dr In Ho (Eric) Choi

BMedSci, MBBS,
FRANZCP

Dr In Ho (Eric) Choi is a valuable addition to the Brisbane Waters Private Hospital team. As a Fellow of the Royal Australian and New Zealand College of Psychiatrists, he brings a wealth of knowledge and expertise to his practice. Dr Choi earned his medical degree from the University of Sydney.

Dr Choi's professional journey is marked by his local training in the Central Coast district, where he honed his skills in diverse clinical settings, including inpatient and community care. His rich experience in these environments has equipped him with a well-rounded perspective on mental health care.

Notably, Dr Choi possesses a profound interest in the intricate relationship between physical and mental well-being. He is committed to implementing a patient-centred and recovery-focused approach in every interaction, ensuring the best possible outcomes for the patients.

Areas of special interests include:

- Anxiety Spectrum Disorders
- Attention Deficient Hyperactive Disorder (ADHD)
- Mood disorders – Depressive and Bipolar Disorders
- Psychotic Disorders
- Post Traumatic Stress Disorder (PTSD)
